

Halve your payroll costs

And benefit from the most accurate payroll processing service in the UK

Payroll, it's one of your biggest expenses, but it's also complicated and prone to errors, which means it is crucial that you get it right.

How would you feel if we said we could remove all the repetitive tasks that your payroll team grapple with and give you an accuracy rate of 99.999+%? Interested? With our industry leading Payroll Processing Service, you can save up to 50% of your processing costs.

Our Payroll Processing service will help you to:

- Automatically save days of laborious payroll work every pay period
- Reduce rerun time by eliminating human error, ensuring your employees are paid accurately and on time
- Keep your payroll running at all times

How does it work?

Our Payroll Processing Service will run the payroll to your exact requirements. It is a cost-efficient and time-saving solution that is supported by our market-leading payroll platform and expert CIPP qualified teams. This service will run when you want and as often as required, 24/7, so that reports are available to you exactly when you need them.

We will do all the processing activity, freeing up your team's time and ensuring you benefit from the latest in automation technology. Automation will guarantee that the service always runs correctly in accordance with the latest legislative requirements. The Payroll Processing Service is supported by a team of payroll analysts. This team will provide additional payroll legislation support to your in-house team.

What's included in the service?

- Expenses calculation
- Absence calculation
- Gross to Net
- Payroll reports
- Payroll errors and warnings investigation
- Absence reports
- Management information reports
- Remittance reports
- Net pay reconciliation and investigation
- Payroll balancing
- HMRC Full Payment Submission (FPS)
- Employer Payment Summary (EPS)

This service also includes:

- BACS processing
- Production of a General Ledger (GL) report
- Responding to enquiries from HMRC
- Printed payslips, P45s and P60s
- An employer helpline (Monday to Friday, 9-5)

Save even more time

Want to take the stress out of pensions and save your team even more time? Why not take our Pension Data Service alongside our Automated Payroll Service. Our team of experts can extract the relevant information from your payroll and provide you with accurate data returns in the correct format for your pension submission and save you up to four weeks of your teams' time too!
