

How are we helping UK employers make their complex HR and payroll, simple?

Each month we help pay

2.8million

UK employees

10%

of the UK workforce

That means we help pay accurately and on time

47%

UK local authorities

60%

the UK's police forces

50%

England's fire services

45% of UK universities payroll services are provided by us

45%

+

1/4

Guardian's top 20 universities count on MHR for their HR needs

150,000

charity workers across the UK sector

97,000

UK college employees.

All this works out that over one year we process

3.2

million payslips

£5 billion

in BACS payments

Ready to make the complex simple?
