

MHR

MANUFACTURING HR, PAYROLL & FINANCE MADE EASY

TRUSTED, TAILORED
SOFTWARE SOLUTIONS FOR
THE MANUFACTURING SECTOR

**“IT’S COMPLETELY INTEGRATED
WITH THE HR SYSTEM. WHEN
SOMEONE STARTS OR LEAVES,
IT DOES IT ALL FOR ME.
IT’S SO MUCH EASIER THAN
HAVING TO DO IT MANUALLY.
IT WILL BE A MASSIVE BENEFIT
TO US DOING THAT.”**

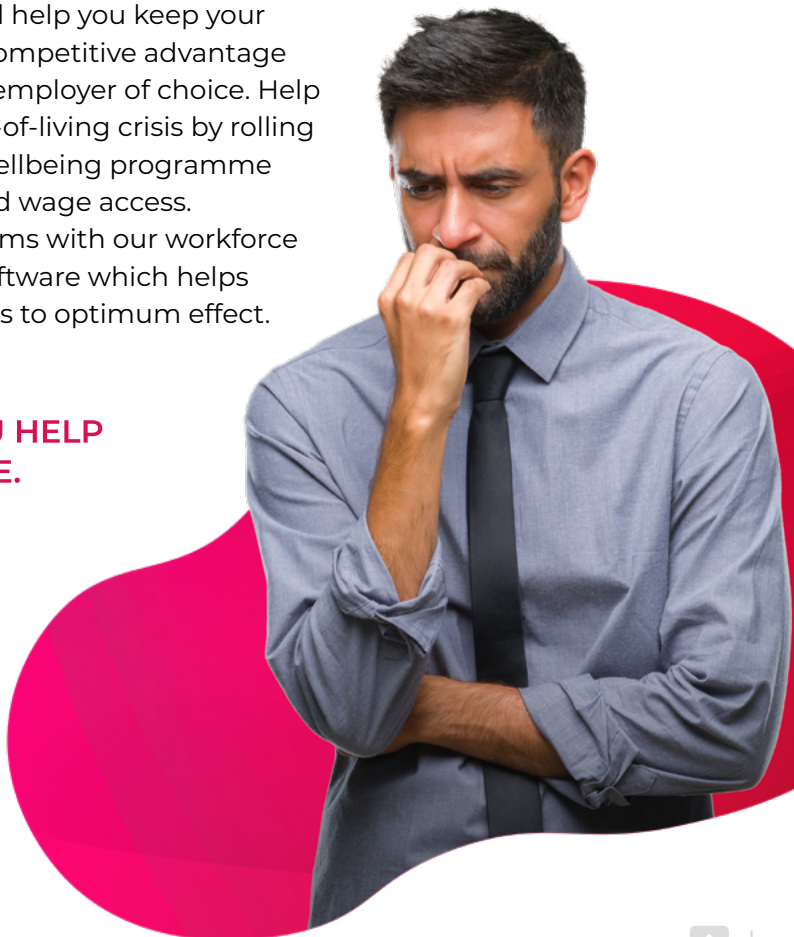

Barry Large
Training Manager,
Amtico

LABOUR SHORTAGES AND HIGH TURNOVER A WORRY?

A competitive employment market – compounded by the cost-of-living crisis – means a high level of job fluidity among workers. Manufacturing businesses are finding it tough not just having the right people but simply having enough people and retaining them. Tackle these challenges with support from MHR.

Our solutions will help you keep your people, build a competitive advantage and become an employer of choice. Help address the cost-of-living crisis by rolling out a financial wellbeing programme that offers earned wage access. Support your teams with our workforce management software which helps allocate resources to optimum effect.

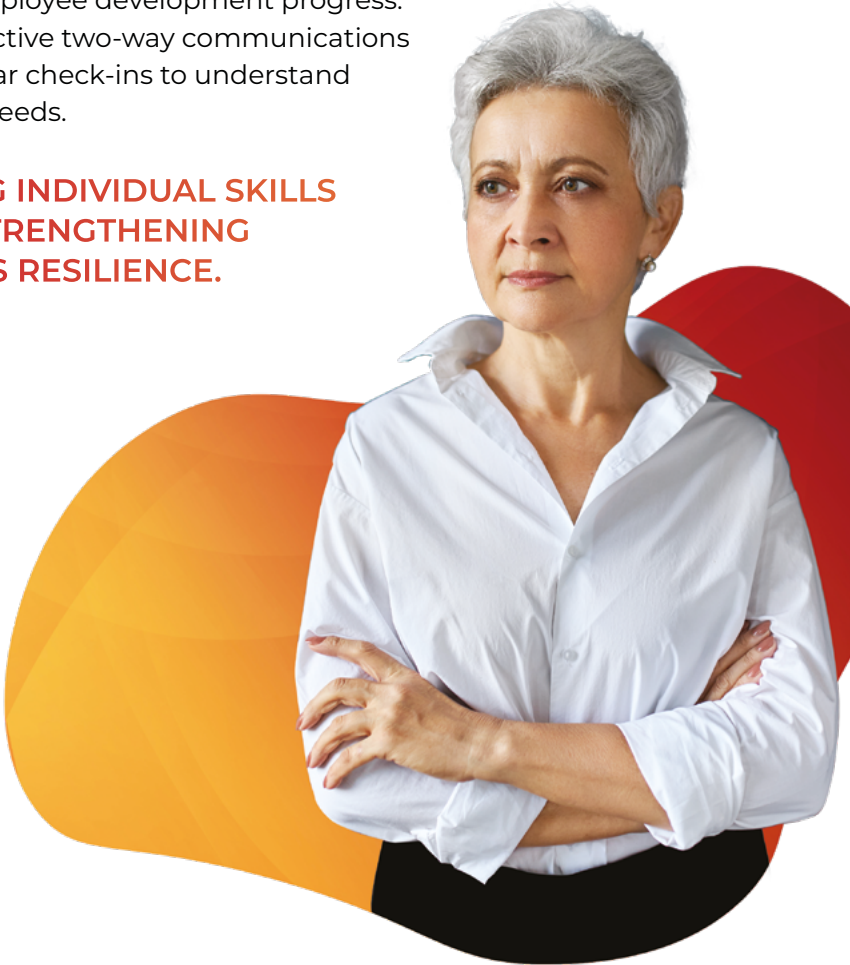

**HELPING YOU HELP
YOUR PEOPLE.**

ENGAGING YOUR EMPLOYEES A CHALLENGE?

Development opportunities, learning and job progression rank high on the employee want list – often on a par with salary. Step-up your training and professional development programme and utilise our effective learning management system to monitor employee development progress. Initiate effective two-way communications using regular check-ins to understand employee needs.

**BUILDING INDIVIDUAL SKILLS
WHILE STRENGTHENING
BUSINESS RESILIENCE.**

NAVIGATING THE JOURNEY TO A BETTER FUTURE

Commitment to change is now expected among businesses. Sustainable business practices support sustainable environments as Corporate Social Responsibility evolves into the measurable, and accountable, Environmental, Social and Governance.

- Is your business on track?
- Is it meeting stakeholder expectations?
- Are you ready to disclose reporting to meet legislative requirements on how you're tracking against sustainability objectives?
- Is your business helping build sustainable futures?

That's where we can help.

**SUPPORTING THE DRIVE
FOR SUSTAINABLE
BUSINESS.**

COMPLIANCE AND LEGISLATIVE OBLIGATIONS FEEL LIKE A BURDEN?

Are you meeting your legislative and compliance commitments on time and accurately? Does this cause your team stress or anxiety? Does it divert key people from other tasks, projects and business needs? Our in-house developed solutions will relieve that burden and ensure you meet obligations on time and accurately.

Our expert team provides the peace-of-mind and confidence that comes with knowing everything is being managed effectively.

**REDUCE RISK,
RELIEVE PRESSURE.**

**“PEOPLE FIRST HAS
ENABLED ME TO BETTER
MANAGE TRAINING AND
COMPETENCIES.**

**IT HAS ALSO GIVEN US
THE ABILITY TO RECOGNISE
GOOD WORK WHICH HAS
FED INTO OUR EVERYDAY
WORK CULTURE AND
IMPROVED MORALE.”**

Jason Wilde

Production Manager,
Toray Advanced Composites

HELP IS A PHONE CALL AWAY

Talk to our dedicated manufacturing HR, payroll and finance team. Our tailored solutions will help:

- Manage your business's complex HR and payroll needs – processing pay accurately and on time
