The science behind
a new world of work

The buzz around People First

"People First ticked every item on our wishlist."

Marriot Motor Group

"People First has really helped us to streamline our processes and save us time as a department."

PPC Creative

PICTURE PRODUCTION COMPANY

"MHR is an important part of our business. We want to do things right."

Hibernian Football

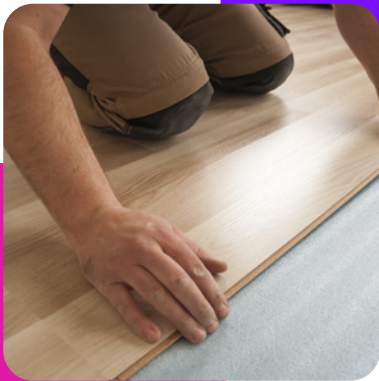

"We've noticed an increase in employee engagement. People First helps my team to share ideas and keep in touch."

The Plan Group

"We've been able to make our processes more efficient and effective; for us it's been absolutely fantastic."

Mcintyre Compliance

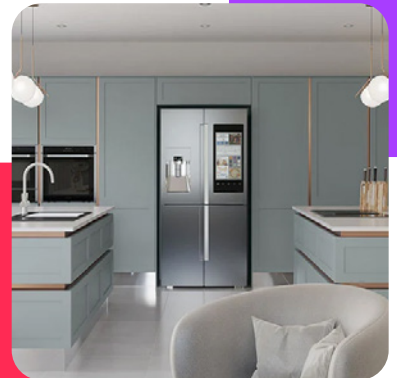

"The time People First has saved me and the team is phenomenal."

Amtico

"Once we got it, we couldn't live without People First."

Waterline

"People First has become a one-stop shop for us. It really helps drive engagement."

Karndean

Hibernian Football Club

"I have zero hesitation in recommending People First."

Football clubs have especially complex HR and payroll needs. With a combination of permanent and casual workers and a team that often works in various locations, flexibility and accessibility were vital for Hibernian FC. This made People First a natural fit.

Discover how People First has changed the game for Hibernian

- Reducing time spent screening applicants by 75%
- Reducing paperwork for the HR team, as team leaders can take on more of the load thanks to People First's accessible design
- A close-knit partnership between MHR and Hibernian making for a smooth and pleasant implementation process

Marriot Motor Group

"The process was incredibly straightforward—one day, we simply turned it on, and everything was ready to go."

As the 5-year iTrent contract was nearing its end, People First was introduced to Marriott Motor Group by their account manager and was invited to a customer showcase.

See why People First more than fit the bill

- A unified mobile-friendly function, built to suit a range of working styles
- A clearer picture of what skills every employee has, maximising efficiency and ensuring coverage
- An intuitive implementation process, leading to cost savings

Waterline

"We would 100% recommend People First, not only the platform, but the support staff are brilliant."

Before implementing People First, Waterline didn't have an HR or payroll system in place. Everything was on spreadsheets or paper files, which was very time-consuming for the entire team. With many remote workers to manage, something had to change.

[Learn more >](#)

This is where People First came in

- An automated real-time payroll system massively increases accuracy and speed for the whole payroll team
- Enabling a digital transformation of HR processes
- Bringing together disconnected employees with a centralised newsfeed

PICTURE PRODUCTION COMPANY

PPC Creative

"The platform has transformed how we do human resources as a business."

The small HR and payroll team at PPC Creative had over 100 employees spread across London and Los Angeles. There was a high risk of double data entry, and the whole process was sluggish.

[Learn more >](#)

People First has become a core part of their transformation process

- Smooth implementation of the system within a four-month deadline enabled the team to feel the benefits quickly
- Quick buy-in from the wider business thanks to an accessible design
- Reduced risk of double data entry and other errors implementation process
- Reduced reliance on manual processes

The Plan Group

The Plan Group

"People First is the best HR platform I've ever used in my life. I absolutely love it."

The Plan Group needed to engage employees who were separated due hybrid working. They desired a platform which supported effective workplace-wide communications from HR and senior management.
