

A smarter, simpler way to manage employee benefits

Say goodbye to benefits headaches and manual hassles.

People First, in partnership with WEX, brings all your benefits together on one platform, no more juggling systems or paperwork. Instantly streamline your workflows, eliminate busywork, and provide a seamless, standout experience your employees will love.

With People First and WEX, you get an all-in-one platform that offers clarity, control, and confidence to your HR team. Enable your organization with innovative benefits management designed to make your workday easier and your employees happier.

Everything your employees need, in one place

People First HCM partners with WEX Benefits to deliver a modern digital HR and employee experience.

Employee changes flow automatically from HR into your benefits system, reducing manual work and keeping everything up to date. Give your people easy access to benefits payment cards and digital wallets, alongside intuitive HCM and benefits mobile apps, with deductions that flow seamlessly into payroll.

Supported benefits include:

- ✓ HSA, FSA, HRA, and LSA accounts
- ✓ Commuter benefits
- ✓ COBRA and direct billing
- ✓ ACA compliance and non-discrimination testing

Empower your business and your employees

Manage all your benefits in one place with a comprehensive, easy-to-use solution. Access, track, and control everything from health and life to commuter benefits and more — while giving employees simple self-service that reduces admin for everyone.

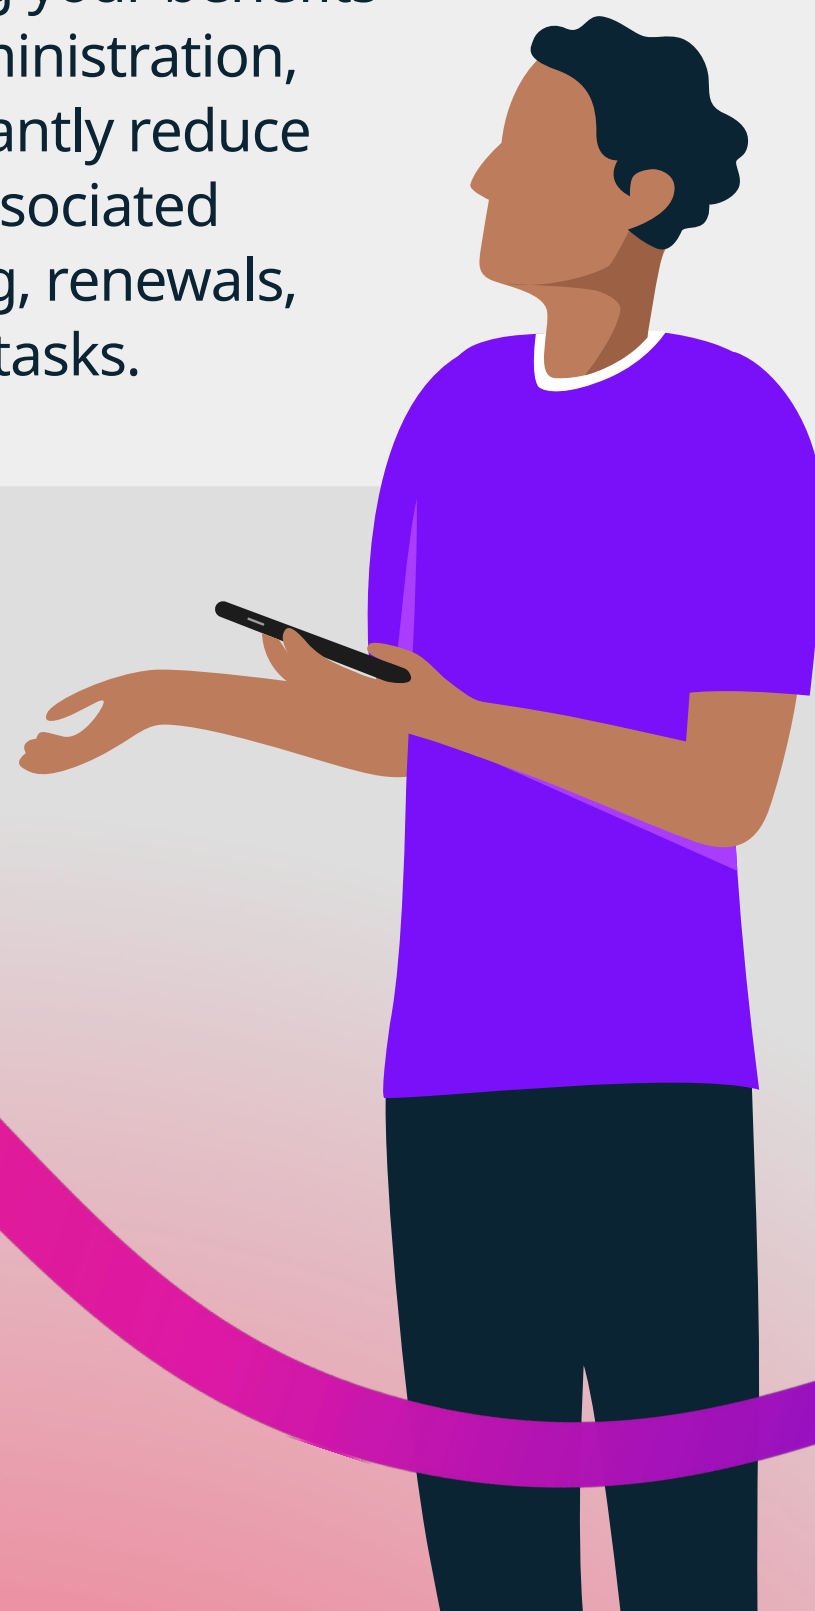

- ✓ **User-friendly mobile app:** Give your team on-the-go access to their benefit information
- ✓ **Powerful digital wallet:** Centralize all benefit accounts in one highly secure, easily accessible location
- ✓ **Intuitive benefits cards:** Provide a seamless way for employees to utilize their funds at the point of care or purchase

Seamless Integration and Reduced Workload

Keep your data flowing and your team worry-free.

With automated data exchange, enrollments and plan updates happen accurately and on time without the need for manual intervention. Track usage, process reimbursements, monitor savings, and manage reconciliation with ease.

By consolidating your benefits and COBRA administration, you can significantly reduce the workload associated with onboarding, renewals, and day-to-day tasks.

Enhanced Employee Support

Unlock more value for your team with engaging tools that simplify decisions and keep employees energized about their benefits.

Together we provide free decision support tools to guide employees during enrollment, a single debit card for easy access to funds to cover all their benefits, and a straightforward program with no hidden debit card fees.
